Public Budget Hearing May 17, 2018

A public budget hearing of the Crooked River Ranch Rural Fire Protection District Board of Directors took place on Thursday, May 17, 2018 at 6:00 pm at the Crooked River Ranch Fire District Fire Station, located at 6971 SW Shad Road, Crooked River Ranch Oregon. The purpose of this meeting was to discuss the budget for the fiscal year beginning July 1, 2018 as approved by the Crooked River Ranch RFPD Budget Committee.

Budget Hearing

- 1. Call to Order by Director Bengtson at 6:00 pm. The flag salute was performed and roll call was taken by Director Oakley. Directors Bengtson, Dille, Meredith and Oakley were in attendance. Director Kirk was excused from the hearing. Also present at the hearing, Fire Chief, Harry Ward, Assistant Fire Chief, Mark Wilson and Administrative Assistant, Dana Schulke. Assistant Fire Chief, Sean Hartley was excused from the meeting. Members of the public in attendance, Tina Wilson, Patricia Hayes and Kay Norberg.
- 2. Presentation of the Budget. Fire Chief Harry Ward stated that the only thing outstanding to finalize was the numbers for employee benefits. We have secured our figures on the benefits and have left our figures on the budget the same. The employees will be paying a higher deductible for the 2018/2019 fiscal year and the District will reimburse the employee for the difference should they exceed it. With this option we are under about 11% compared to last year's numbers. Basically the District is providing a health reimbursement account for any amount over their deductible. Director Dille asked if the Board could receive updates on any Employee Benefit matters. Chief Ward stated he will inform the Board as necessary.
- 3. Comments from the Public. Patricia Hayes asked if the Budget Message was going to be corrected as the numbers on some of the attachments were not adding up. Chief Ward stated that it has been corrected and it will be available at next month's Board meeting. Director Dille stated that he has a concern over the shortage of unappropriated available funds for operating and personnel costs. \$200K is not going to cover us for the next four months especially for personnel costs. Director Bengtson reviewed the available funds the District has to utilize for operations. Chief Ward stated we are not spending any money right now, other than in our Vehicle/Maintenance line items for regular scheduled maintenance. Director Dille stated that we should have a line item in the budget for any funds and interest that we may have to borrower against should there be a shortage of funds. Chief Ward stated that we should be ok and won't have to include any borrowed funds in the budget.
- 4. Discussion/Comments/Actions from the Board of Directors none.
- 5. Adjournment of Budget Hearing by Director Bengtson at 6:11pm

Respectfully,
Dana Schulke
Administrative Assistant

Crooked River Ranch RFPD 6971 SW Shad Rd Terrebonne, OR 97760-9250

Board Meeting Minutes May 17, 2018

A regular Board meeting of the Crooked River Ranch Rural Fire Protection District Board of Directors took place on Thursday, May 17, 2018 at 6:12 p.m. at the Crooked River Ranch Fire District Fire Station, located at 6971 SW Shad Road, Crooked River Ranch Oregon.

Board Meeting Minutes

- 1. Called to Order by Director Bengtson at 6:12 p.m. Directors Bengtson, Dille, Meredith and Oakley were present. Director Kirk was excused from the meeting. Also present was Fire Chief, Harry Ward, Assistant Fire Chief, Mark Wilson, and Administrative Assistant, Dana Schulke. Assistant Fire Chief, Sean Hartley was excused from the meeting. Also in attendance was Captain, Tom Fast. Members of the public in attendance, Tina Wilson, Patricia Hayes, and Kay Norberg.
- 2. Review of Meeting Agenda Items The agenda was reviewed and Director Bengtson stated that after item 5 (Comments from the public), the Board will go into Executive Session.
- 3. Approval of the Board Meeting Minutes.
 - **3.1.** April 19, 2018 Board Meeting minutes minutes were reviewed by the Board and Staff. There were no other corrections to be made. Director Dille made a motion to approve the April Board meeting minutes as written. Director Oakley seconded the motion. All were in favor, motion passed (4-0).

4. Financial Reports -

- **4.1.** Director Meredith presented the financial report as of the end of April 2018. In the First Interstate Bank general account, there was \$22,052.55. In the First Interstate Bank-Payroll account, we had \$2,590.57. In the Jefferson County Treasury the account balances were: Bond Fund \$38,116.41, Building/Equipment Capital Reserve Fund \$194,268.98, General Fund \$160,707.07, Local Option Levy Fund \$187,824.94. Accounts Receivable there was \$1,282.01. Director Oakley made a motion to approve the April financial report as presented; Director Dille seconded the motion, all were in favor, motion passed (4-0). There was no further discussion.
- **4.2.** Appointment of Board members to sign checks. It was decided that Director Bengtson and Director Kirk or Dille will sign checks on Monday, June 11th and Director Meredith and Director Oakley will sign checks on Monday, June 25th, 2018.
- 5. Comments from the public Tina Wilson asked a question about the minutes, in regards to the new Radios being available 30 days after we receive them from Deschutes County 911. Chief Ward clarified that once we receive them, the system will go live however, we won't be utilizing them just yet. We will test them out in all areas of the Ranch first and then start to use them after fire season is over with. There was no further comment from the public.

(5.1) At this time, the Board went into Executive Session at 6:24 pm for a Personnel matter. The Board came out of Executive Session at 6:38 pm and informed everyone there was nothing to discuss at this time.

6. Unfinished Business -

- **6.1 Follow-up discussion on the new Radios** Chief Ward stated they are still at Deschutes County 911 being programed. There was nothing else to report at this time.
- **6.2 Follow-up discussion on revising time of Board meetings** Director Bengtson stated that at this point and time we will be keeping the start time of our Board meetings at 6:30 pm, and for winter time the start time will continue to be at 3:00 pm for November, December, January and February. These times will accommodate our Volunteers if they would like to attend the meetings, as well as the residents/public who work during the day. There was no further discussion on this topic.
- **6.3 Follow-up discussion/review of District possibly utilizing other law firms** Dana Schulke had submitted a list of law firms that was in the Board packet. The Board had reviewed the cost structure of each one and after further review and discussion, the Board and Chief Ward stated they will stay with our current law firm which is Local Government Law Group/Speer Hoyt. There was no further discussion on this topic.
- **6.4 Follow-up discussion on a date for the SDAO Board Assessment** Director Bengtson stated he has a date for the Board assessment which will be Tuesday, November 6th. The Chief and the Board will be attending the Special Districts Association of Oregon Board Assessment and Rob Moore (from SDAO) will be contacting everyone about 2 weeks prior to review information prior to the assessment. There was no further discussion on this topic.

7. New Business -

- **7.1** Review of Code of Ethics/Conflict of Interest policy A copy of the Code of Ethics/Conflict of Interest policy was in the Board packet for the Board to review. Chief Ward had stated that this is a policy for the Board members to review and the attorney has also review it. It was stated by Director Bengtson that he would like to put this item under Old Business at June's Board meeting so the Board members have time to review it. There was no further discussion on this topic.
- **7.2** Review/Approval of Resolution 2018-02 to adopt the 2018/2019 fiscal budget Director Bengtson and Board members reviewed the Resolution. It was stated by Director Dille that we seem to be missing a fund on the form and Director Bengtson stated the figures did not make sense. Assistant Chief Wilson went through the figures and compared them with the budget. It was stated by Director Bengtson that until the Board fully understands the figures on the Resolution, he would like to postpone this item and put it under Old Business at June's Board meeting. There was no further discussion on this topic.
- **8. Fire Chiefs Report** Chief Ward stated that he attended the Oregon Fire Chief's conference at Eagle Crest Resort. He stated that Assistant Chief Wilson, Assistant Chief Hartley, Volunteer Frank Day and Volunteer Jeff Scheetz all received Distinguished Service awards from the association and attended the luncheon last Thursday, along with some personnel from Redmond Fire and Jefferson County Fire. He stated that it was a good conference and enjoyed the speakers. Director Bengtson asked if we were able to utilize the Water Trucks from the CRR Road District if

we had a fire. Chief Ward will get in contact with Robert from the Road District to see if we have an agreement of some sort for them to assist us in a fire. Chief Ward stated that we will not be burning the lower pasture down by the Senior Center as it is still green and will not burn. We will set this up to burn earlier in the upcoming year. He stated we had a structure fire on Dove last month and we put in practice our Cancer Protection policy. Everyone was able to create an assembly line to decontaminate themselves after the fire and this process will only get better as we do it after every fire. Tomorrow we have Air Link coming for our Community Appreciation Day and they will be having their helicopter come and serve hamburgers and hot dogs. Chief stated we have a few volunteers coming to assist with cooking. This was the end of his report.

- **9. Operations Report** an operations report was emailed to the Board, by Assistant Fire Chief, Mark Wilson. Chief Wilson added to his report that we assisted at a fire that Redmond had over by Smith Rock last Sunday evening. Everything went well.
- **10.** Correspondence/Recognitions We had a two thank you notes from a residents who live on the Ranch. Director Oakley stated there was a card in the suggestion box from a concerned resident asking about weight requirements for our firefighters. They had attached an article to the card about maintaining a healthy weight and exercise for our firefighters. The card was given to the Chief.

11. Comments/Questions:

- 11.1 Public no comments
- 11.2 Chief, Staff and/or Volunteers Assistant Chief Wilson stated that we are putting on a CPR class tomorrow night for the HOA staff here at the station. There will be another Hands Only CPR class on June 2nd here at the station. He also informed Director Meredith that our medical director taught the "Stop the Bleed" class two weeks ago at drill.
- 11.3 Board no comments
- 12. Adjournment by Director Bengtson at 7:22 pm.

Respectfully,
Dana Schulke
Administrative Assistant

ADMINISTRATIVE POLICY - CODE OF ETHICS AND CONFLICT OF INTEREST

ADOPTED: 1/2/2018 REVISED: 1/2/2018 SUPERSEDES: ###

CODE OF ETHICS AND CONFLICT OF INTEREST

PURPOSE:

To conduct procurement activities in an ethical manner, a Code of Ethics and Conflict of Interest Policy has been established for Crooked River Ranch Fire & Rescue, (the District).

Personal Conflict of Interest

No employee, volunteer, agent, Board member or immediate family member of the District shall participate in the selection of, award, or administration of a contract supported by FTA funds if a conflict of interest, real or apparent, would be involved. Such a personal conflict of interest would arise when any of the following has a financial interest or other interest in the firm selected for the award;

- 1) The employee, volunteer, agent, Board member of the District,
- 2) Any member of his/her immediate family,
- 3) His or her partner, or
- 4) Any organization that employs, or is about to employ, and of the above.

The District employees, volunteers, agent and Board members shall neither solicit nor accept gifts, gratuities, favors, or anything of monetary value from actual contractors, potential contractors, or parties to sub-agreements, including but not limited to monies, credits, discounts, seasonal or special occasion presents, edibles, drinks, household appliances and furnishings, clothing, vacations, travel or hotel expenses, various forms of entertainment if:

- 1) It tends to influence the employee, volunteer, agent, or Board member in the discharge of employee's official duties; or
- 2) The employee, volunteer, agent, or Board member recently has been, or is now, or in the near future may be, involved in any official act or action directly affecting the donor or lender; or
- 3) The employee, volunteer, agent or Board member has or appears to have influence over the District's actions affecting the donor or lender in the employee's official capacity.

Notwithstanding the above, this section shall not apply to the following scenarios:

1) An occasional unsolicited non-pecuniary gift of insignificant value (less than \$25.00) such as accepting food or refreshment of nominal value on infrequent occasions in the ordinary course of a business luncheon, business dinner meeting, or through the course of the business day, or unsolicited thank you cards or gifts of insignificant value such as coupons, balloons, floral arrangements, or small gift baskets; or

- 2) An unsolicited gift, gratuity, favor, entertainment, loan or other things of value when circumstances make it clear that an obvious long-standing social or family relationship rather than the business of the persons concerned is the motivating factor; or
- 3) Unsolicited advertising and promotional material such as pens, pencils, notepads, calendars, or other business-related items of nominal intrinsic value.

Purchasing employees or officers for the District must recognize that their purchasing activities are of public interest and a matter of public record. Therefore, their actions must be conducted in a manner to be fully substantiated and legally defended in accordance by the authority of the District. At all times, the District's employees, volunteers, agents and Board members must endeavor to keep from involvements that could result in a possible position of "conflict of interest."

When an actual or potential violation of any of these standards is discovered, the person involved shall promptly file a written statement concerning the matter with an appropriate supervisor. The person may also request written instructions and disposition of the issue. If an actual violation occurs or is not disclosed and remedied, the employee involved may be reprimanded, suspended, or dismissed. The vendor or potential vendor may be barred from receiving future contracts and/or having an existing contract canceled.

Organizational Conflict of Interest

The Procurement Officer for the District is encouraged to work closely with its Attorney to review all situations that appear to have potential for an organizational conflict of interest.

Counsel can help in the preparation of restrict contracting clauses suitable for the particular situation. Counsel can also recognize when involvement with Counsel is appropriate.

Organizational conflicts of interest can cause two distinct problems. One concerns the issue of bias; the other involves the issue of unfair completive advantage. An organizational conflict of interest occurs due to the type of work to be performed under a third party contract, or because of other activities or relationships such as:

- > A contractor is unable, or potentially unable, to render impartial assistance or advice to the District;
- > A contractor's objectivity is performing contract work is or might otherwise be impaired; or
- > A contractor has an unfair competitive advantage.

Bias arises when a contractor is placed in a situation where there may be an incentive to distort advice or decisions. Whenever a contract is awarded that involves the rendering of advice, the question must always be asked as to whether the potential for a conflict of interest exists for the contractor rendering the advice. In fact, the District will always consider using a "Conflict of Interest Disclosure Statement," when contracting services of this nature.

1) The offeror shall provide a statement in its proposal which describes in concise manner all past, present or planned organizational, financial, contractual or other interest(s) affected by the District's employees, volunteers, agents or Board member; any

member of these entities' immediate family, partner, or organization that employs, or is about to employ, any of the above, and which is related to the work under this solicitation. The interest(s) described shall include those of the proposer, its affiliates, proposed consultants, proposed contractors, and key personnel of any of the above. Past interest shall be limited to within one year of the date of the offeror's technical proposal. Key personnel shall include any person owning more than 20% interest in the offeror, and the offeror's corporate officers, its senior managers and any employee who is responsible for making a decision or taking an action on this contract, where the decision or action can have an economic or other impact on the interests of a regulated or affected organization.

- 2) The offeror shall describe in detail why it believes, in light of the interest(s) identified in (a) above, that performance of the proposed contract can be accomplished in an impartial and objectively.
- 3) In the absence of any relevant interest identified in (1) above, the offeror shall submit in its proposal a statement certifying that to its best knowledge and belief no affiliation exists relevant to possible conflicts of interest. The offeror must obtain the same information from potential subcontractor prior to award of subcontract.
- 4) The District's Attorney will review the statement submitted and may require additional relevant information from the offeror. All such information, and any other relevant information known to the District will be used to determine whether an award to the offeror may create a conflict of interest. If any such conflict of interest is found to exist, the District's Attorney may (a) disqualify the offeror, or (b) determine that it is otherwise in the best interest of the District to contract with the offeror and include appropriate provisions to mitigate or avoid such conflict in the contract awarded.
- 5) The refusal to provide the disclosure or representation, or any additional information required, may result in disqualification of the offeror for award. If nondisclosure or misrepresentation is discovered after award, the resulting contract may be terminated. If after award the contractor sees a conflict of interest with concerning the contract awarded as a result of this solicitation, which could not reasonably have been known prior to the award, an immediate and full disclosure shall be made in writing to the District's Attorney. The disclosure shall include a complete description of the conflict, a description of the action the contractor has taken or proposes to take, to avoid or mitigate such conflict. The District's Attorney may, however, terminate the contract for convenience if he or she deems that termination is in the best interest of the District by sending a contractor a Notice of Termination specifying the nature of the default.

The problem of *unfair competitive advantage* occurs most often when a contractor is developing specifications or statements of work that will be used in the future competitive solicitation. The problem most often causing unfair competitive advantage occurs when the contractor writes specifications or statements of work around its corporate competitive strengths or products and then bids on those specifications or statements of work. The District can overcome unfair advantage by placing reasonable restrictions on the contractor's involvement in the procurement

that will utilize the specifications. Some form of advance restriction (limitation on future contracting) must be agreed to with the contractor as a provision within its consulting contract. Another scenario is that a contractor developing specifications or work statements may have access to information that the District has paid the contractor to develop, or which the District has furnished to the contractor for its work and which has not been made public. When this information enhances the contractor's competitive position in the bidding, it represents an unfair competitive advantage. The potential solution to this problem is to fully disclose all information to the bidders for a reasonable time prior to the receipt of the proposals.

The situation of "unfair competitive advantage" is to be distinguished from a "fairly won competitive advantage" which naturally accrues to any contractor that can do work more efficiently because it has more experience (i.e., won more contracts) for its products or services.

It is a fact that competitors are frequently discouraged from bidding on a particular procurement because they perceive an incumbent contractor to have an insurmountable competitive advantage by virtue of its previous work.

Environmental Impact Statements - There is a particular regulatory requirement imposed by 40 CFR 1506.5 on contractors who develop environmental impact statements. These contractors are required to sign a disclosure statement certifying that the firm has no financial or other interest in the execution or outcome of the proposed project. This certification is intended to avoid situations where contractors are hired to study alternatives and potential environmental impacts of proposed projects when they have some corporate interest in the outcome of their findings. Grantees are advised to include such a certification in their Requests for Proposals for the consultant services so that such conflicts can be identified early in the contracting process, thus avoiding unnecessary expense to offerors and delays to the project.

Obtaining Access to Proprietary Information - When a consulting contractor requires proprietary information from others to perform a contract for the District, the contractor may gain an unfair competitive advantage. Imposed restrictions protect the information and encourage companies to provide it when necessary for contract performance. A contractor doing the work for the District and requiring such information is required to enter into agreements with the other companies to protect their information from unauthorized use or disclosure for as long as it remains proprietary and also to refrain from using it for any purpose other than that for which it was furnished. The District's Procurement Officer will obtain copies of these agreements.

COMPLIANCE WITH THE CODE OF ETHICS AND CONFLICT OF INTEREST POLICY

The District requires that all members, Fire Chief's, and Administrative Staff involved in procurement functions sign a **Conflict of Interest Statement**. All other Staff members, volunteers, and agents must read this policy and acknowledge that they have done so.

CONFLICT OF INTEREST POLICY

As a General Policy, Crooked River Ranch Fire & Rescue seeks to prevent and avoid any conflicts of interest in the conduct of its business operations and to avoid any appearance of such conflicts to the public it services. Each Board Member, Fire Chief and Administrative Staff Member has the duty to place the interests of Crooked River Ranch Fire & Rescue foremost in any dealings on behalf of the organization and has a continuing responsibility to comply with this Policy.

In order to comply with this Policy, it is expected that:

If a Board Member, Fire Chief and Administrative Staff Member has an interest in a proposed transaction with Crooked River Ranch Fire & Rescue in the form of significant personal or organizational financial interest in the transaction, or holds a position as Trustee, Director, Officer or Staff member in such organization or business, he or she must make full disclosure of such interest before any discussion or negotiation of such transaction. The disclosure shall be recorded in the minutes of the meeting.

Any Board Member, Fire Chief and Administrative Staff Member who has a potential conflict of interest concerning any matter coming before the Board or a committee shall not participate in any discussion of or vote in connection with the matter. The disclosure shall be recorded in the minutes of the meeting.

Any Board Member, Fire Chief or Administrative Staff Member who gains privileged information by virtue of his or her role as a Board Director, Fire Chief or Administrative Staff member shall not use that privileged information for personal or professional gain.

This Policy shall be distributed to incoming Board Members, Fire Chiefs, and Administrative Staff members. A signature in the designated space at the bottom of this Policy will indicate that you will abide by this Policy to the best of your ability. Noncompliance with the intent and spirit of this Conflict of Interest Policy may result in an action deemed appropriate by the Board of Directors of Crooked River Ranch Fire & Rescue.

This Policy may be revised or amended as determined appropriate by the Board of Directors and the Fire Chief.

I have read the above statement of policy regarding conflict of interest and agree to abide by the Policy to the best of my ability in my role as a Board Member, Fire Chief or Administrative Staff member.

President	Attest, Office Administrator I hereby certify the above items

CRR Fire & Rescue Operations Report June 2018

- Staff Meeting was held on the 4th of this month.
- Members present: Chief Harry Ward; Assistant Chief Mark Wilson; Assistant Chief Sea Hartley;
 Captain David McDonald (A-shift); Captain Tom Fast (B-shift) Captain Alysha Delorto (C-shift);
 Administrative Assistant Dan Schulke.
- Old Business / New Business mixed together in discussion:
 - SDS Discussion on how to proceed dividing up areas of the station for conforming to new Global Harmonization Standards.
 - Explorer Program for Cadets. Chief Ward still working on recruitment and operational policies.
 - Task force / Conflagration Act personnel availability by Volunteer personnel. How to confirm with them length of time they can be deployed to make sure we can show ourselves available to respond.
 - OVFA (Oregon Volunteer Firefighter Association) conference and training this year located in North Bend Oregon. Two personnel attending for Rope Class. (Student Amy Weddle and New Volunteer Stephanie?)
 - Discussed responding units to different calls for fires. Group consensus is to not make 522 the first out on all brush fires, illegal open burns, assistance type calls. Chief Ward will work on protocol to have Dispatch change the "Run Cards" to dispatch the appropriate unit for the proper incident.
 - CAD Notes discussion to leave them in the reports due to a concern brought up about privacy however CAD notes are considered public records so they should stay in the reports and we should just add our notes behind them.
 - Still planning on having "Strategic Plan" completed for June meeting.
 - Planning training night on June 11th for "Decon" (Decontamination) on fire scenes of personnel; gear, including SCBA (Self Contained Breathing Apparatus) and clothing.
 - Looking at part time employees again for the summer. The pay is \$10.50 to \$15.00 per hour depending on the applicant's certifications. (I did not get the final number for potential applicants but, did hear at least there are two returning from last year.)

Staff Reports:

- Captain Alysha Delorto:
 - Had 10 people show up for Hands only CPR Class. New online signup with confirmation ticket for class helped a lot to get class filled. (Unlike first class that had 1 person show up when expecting 10 people.)
 - Finally consumed contents of rental oxygen bottle from Eclipse so Norco oxygen bottles we have are all back to owner so we will no longer be paying a rental fee.

Captain Tom Fast:

 Plan to burn lower pasture (Bottom of Hill Road between Buffalo and Chinook) after Ranch does some mowing to pretreat area. This has been cancelled due to growth of new green grass that will not

- burn properly. Might consider burning toward end of fire season while it is viable or due it earlier next year when it is still pretty dry.
- Recent reports from DPSST (Department of Public Safety Standards and Training.) are showing a few of our personnel are short some training hours to maintain their certifications. Discussed possible reasons why this is happening and basically boils down to time available for Volunteer in their life and balancing time between family, work and volunteering. Researching the use of "Task Performances" to assist in the process thus allowing the person who is short on hours could come and perform the tasks needed to be certified in a matter of a few hours instead of 120 requirement (60 hours each year that is combined into the 120 for two year certification). The big issue is we have to use outside evaluators to witness the task performance process so this requires scheduling multiple agencies to meet at one time the person needing the evaluation is available.

Captain David McDonald:

- Student recruitment process complete. We have three new students starting (Ethan, Nolan and Garret). They are in the background and medical physical stages right now. With the addition of these three, we will have six total students again.
- New academy starting for Central Oregon fire services will have approximately twenty five students including our three. Instructors from all departments including ours will be participating in the education process. Class starts June 18th and goes through August 10th.
- Fire Marshal Gary White:
 - Excused from Meeting (He was the one that had asked about the Notes in the CAD Reporting.)
- o Assistant Chief Mark Wilson:
 - Continuing on apparatus services, inspections and repairs.
 - State Honor Guard had been activated for the Bend Fire Fighter who was killed in the motor vehicle crash on the Warm Springs Reservation on June 2nd. Mark was put in charge of the Honors Portion of the Ceremony by the Incident Commander from Bend Police Department.

Mark had to leave our staff meeting to make the first Command Staff meeting for the Funeral service in Bend at 10:00.

- Next Blood Drive June 13th 12:00 to 6:00.
- Call report:
- From Image Trend reports:
 - Rescue & Emergency Medical Service Incident-2

- Medical Calls-28
- Fire Calls-7
- Public Assist Service Calls-13
- Good Intent Calls-3
- False Alarm or False Call-1
- Total All Calls-54

Respectively Submitted.

Mark W. Wilson

Assistant Chief / NREMT

Master Emergency Vehicle Technician

(Ambulance; Fire; Law Enforcement)
